COMPLAINTS BRING RESULTS

Replaced by Beatific Silence-Respectable People Journey Home sentiment Unassailed by Insult and Profanity. Many Accusations Were Made.

The vanishing of violence on the Wash. ington, Arlington and Falls Church Ratiroad was like instantaneous magic. In the ghostly stillness of the early Sabbarh morning it melted as a mist is dispelled in a July sun. The mysterious disappearance of all rowdyism was the biggest pearance of all rowdyism was the biggest of surprises to these commuters who had Rhode Island Representative great statesman. become accustomed to regard it as a

The midnight train that conveys weary Virginians to their slumbers was lamblike and reposeful even to the point that FAMILY a doxology might have been appropriately pronounced. Peace reigned supreme; all was quiet along the Potomac. The disturbers of quietude hied themselves homeward sedately and conducted themselves with such moderation of speech and action that certain officers of the law sank into boredom and extreme ennui.

If those who have seen rude fights upon this much berated train could have traveled on it yesterday morning they would have sworn their eyes deceived them. No fists or blackjacks were brandished, no riots were even remotely mosphere, not even a good-natured last night vaudeville show was proposed.

ocean on the last leg of its world-wide and Republican parties.

This is believed to be due to the interference of amateur wireless operators, who have been sending messages up and down the coast so rapidly that the government wireless stations have not been able to receive messages from the fleet. This condition of affairs, naval officials believe, is strong argument for Federal control of wireless stations.

Evil Doers Discussed.

In the round table discussion of Jesus' teaching on non-resistance yesterday at the Y. M. C. A., Charles F. Nesbit declared that while the attitude of the steamer was unable to make rapid headindividual, the aim of the state is the good of all, and the individual is considered an integral part of society, for whose sake he must suffer if he opposes himself to the laws.

Commission Will Meet.

The naval reorganization commission appointed by President Roosevelt several weeks ago to make a detailed report and reorganization of the naval establish will hold a meeting next Friday afternoon at the Navy Department. At this meeting a complete report will be drawn up for submission to the President.

Union troops were encamped near Har-rison's Landing. The good and cheering effect on the troops of the President's visit was described by Gen. Greely.

Personal Feeling Absent, The speaker told of the absence of personal feeling on the part of Lincoln when attacked by his enemies. He quoted, as illustration, a story of a man in Illinois, who attacked him bitterly, and who said he knew things that would ruin his political future. Lincoln, he said, wrote the man a letter asking for proofs and declaring his innocence, and in closing said his assailant might produce the most damaging proofs, if possible, and still retain his friendship.

"Lincoln's wonderful Christian life, his regard for the truth, his integrity patriotism," said the speaker, "will serve Room of the White House—Career always to keep his memory fresh. The an Inspiration for All Who Have people following these principles."
"His was the patriotism that makes pa triots; that serves the future and all the world," declared Commissioner Henry

DELAYED BY THE FOG.

Steamer Norfolk Pulls Into Dock

Eleven Hours Late.

Nearly eleven hours late, the steamer Norfolk and Washington Steamboat Line, pulled up to the doay the bill was passed, or even if he voted against the bill; he was not before 6 o'clock last evening. Its approach was witnessed by relatives of the proposed enabling to be the beneficiary of an increase that had been voted during the term for which in the country, through a mere trick of the calendar, would now an effice with a view to one of their am who, if the proposed enabling act the affair will be a great success. The list is as follows:

The constitution is not a trap, but a decisive action to put down all forms of lawlessness, especially murder and illegal as the calendar, would now an efficient of the invaluable services of a man who, if the proposed enabling act the affair will be a great success.

The list is as follows:

The constitution is not a trap, but a decisive action to put down all forms of lawlessness, especially murder and illegal as the figure. It is claimed that the failure of Eastern capitalists to invest in mineral and time were passed, would no longer be the or Congressman in question was absent on the day the bill was passed, or even if he voted against the bill; he was not to be the beneficiary of an increase that had been voted during the term for which in the country, through a mere trick of the calendar, would now are trick of the calendar, would now as an effect ward securing it. It is claimed that the failure of Eastern capitalists to invest in mineral and time were passed, would no longer be the a man who, if the proposed enabling act work of the proposed enabling act would now he decisive action to put down all forms of investing the proposed enabling act work of the proposed enabling act work of

the Cabinet until after his present term of office in the Senate should expire.

Straightforward compliance with the Constitution. The fact that the premier of the new administration would, during his time the increase was voted, four years ago, Senator Knox never dreamed of leaving the Senate for the State Department, and does not now wish to do so; but that fact would make no difference with the Constitution.

Straightforward compliance with the Constitution.

EXPOSE BARN BURNING.

Callahan, Thomas J. Heavy, J. H. Pellen, Th

leaving the Senate for the State Department, and does not now wish to do so; but that fact would make no different when the minority of the House community of the House community of the House communities of the State Department, remains on the statute book.

But Judge Taft's luminous phrase, "In the light of its purpose," is a sure guide to a constitutional soution of the difficulty. A repeal of a portion of the former active during the statute of his Senatorial term, at the expiration of the State Department, through his entire four years ary back where it was before the footening of "the man in the street." What was the purpose of "the purpose of the present in stancer," as a piled to the present of the understanding of "the man in the street." What was the purpose was, not what will be been so innocently erected four years ago in bear of which was not street, and the purpose of the purpose of the purpose of the present in stancer. That purpose was, not the present in stancer from now, wrose to suggest to the forefathers, as applied to the present in stancer. That purpose was, not the purpose of the protest, such a bill were put upon when Mr. Knox was in the Secretary Root or Secretary Boot or Secretary Boot or Secretary Boot or Secretary Boot or Secretary Secreta portion of the bill as it applies to the obedience to it.

State Department is repealed before (The foregoing paper was written by a Senator Knox "shall be appointed" be well-known Washingtonian.)

make that fact nonexistent. In Judge Taft's telegrams to Senators To the layman's mind, such reasoning Knox and Hale he says that he has seems altogether too subtle to be sound.
